**PERMISSION TO PHOTOGRAPH BOY SCOUTS BY BSA REGISTERED ADULTS FOR THE PURPOSE OF PUBLICATION ON THE TROOP 255 INTERNET WEBSITE AND VIEWINGS DURING SPECIAL SCOUTING EVENTS.**

Dear Parent/Guardian,

Quite often, BSA registered adults in Troop 255 take still photographs of Boy Scouts involved in numerous BSA activities. The probability is very likely that your child will be photographed while participating in troop activities. We want to ensure you are aware of this beforehand, so you can make a decision concerning the use of still photographs. Youth names and other personal information will not be posted online. Please complete the form below and return it to Troop 255.

Sincerely,  
Warren Swader  
Troop 255 Committee Chair
